

# August

Fix your thoughts on what is good and right. Think about things that are pure and lovely, and dwell on the fine, good things in others. Think about all you can praise God for and be glad about it.

Jesus of Nazareth

The Women's Outreach & St. John's women went to the Do Good Restaurant, Chocolate Store, Pie Store, & Christian Store in July. A wonderful outing and lots of good food.

## Update from consistory

On Monday 7/22 we had Maas Brothers Drilling in to begin our well drilling process. It was a long day but we finally hit enough water at 300ft of depth. They returned on Tuesday 7/23 to run the EPA required 6 hour pump test. The results from the pump test were excellent. They then returned to the church on Wednesday 7/24 to pull samples and take them to the lab for analysis and testing. That brings us to where we stand now. We are waiting on the lab results to be sent in and viewed by the EPA before we can complete the project. They say this can take 2-8 weeks. After that we will schedule a day for them to come and connect the new well into the church water system to complete the project.
