Women's Outreach is asking you to think of ways to bring together the women of the church for fun, food and fellowship. You and a friend take a month and plan an activity or program. You will be responsible for snacks and devotions that month. Pick a date and time that month and get with Renee to get it finalized.

**Some ideas:** Go out to eat or visit somewhere, plan a program, card or game night, craft, a mission that you would like to see the women do, A weekend overnight trip. Think outside the box.

#### Weekday Release Time Update

*He who supplies seed to the sower and bread for food will supply and multiply your seed for sowing and increase the harvest of your righteousness. 2<sup>nd</sup> Corinthians 9:10*

The Weekday Release time met in July. The meeting was well attended by pastors, Church representatives, and other supporters of the program. The bylaws were presented and a few changes were suggested. Changes will be made and emailed to the churches. It was discussed and voted Neil Reichenbach will handle the financial part this year. The teachers will have full back ground checks and the walker back ground checks are tabled until next year. The churches will still provide walkers for the program.

We will be looking for walkers on Thursday's and a few hours on Friday. The rest of the times a few people have committed to walking weekly. If this is something you might take an interest in either weekly, or once or twice a month please let me know and we can talk about what would work for you. The churches walking schedule will be sent out within the next week.

With the upcoming year some changes have been made to the class times. Classes will be on Tuesday's 12:00 – 2:00. Thursday and Friday's 8:15- 2:55. Due to the time changes we are working on getting two more teachers on board. One will cover the Jr High and the other two first grade classes.

Release time will start the week of September 10

Thank you to all for your prayers and continuing support of the Weekday Release program.

Sincerely,

Renee Caskie
