Update on Capital Campaign – We give all the Glory to God

With the money that has been so **graciously given and pledged** please see the breakdown below.
There has been some unforeseen issues and things are costing more than anticipated so as we
continue to give we will keep you updated.

\$5,000 – Consistory seed money

\$62,300 – given and pledged as the end of January 2025

\$24,800 – 19 one time givers

\$16,500 – pledges given up to date

\$21,000 - outstanding pledges to be given in 2025 and 2026

We thank you for your patience as the church continues the process of working through the much
needed expensive updates. The well is waiting for the final approval of the water samples. The water
can be used but not for drinking water yet.
